

Coronal Polishing Certification Course For Registered Dental Assistants

What is a Coronal Polishing Certification?

This course includes theory and clinical application in one of the most widely performed procedures, coronal polishing. Dental Assistants...are you seeking the Registered Dental Assistant license? If the answer is yes...then you must complete a Dental Board approved coronal polishing certification course prior to licensing as an RDA. Upon completion of all these course requirements and you are an RDA, you may perform this procedure.

Custom Course in Your Office

If you are unable to come to one of our classes, we can customize a class for you and your co-workers in the comfort of your office. You will need a minimum of 4 people to enroll in this course. Please email us at efdaa4u@earthlink.net for more information.

Why Should I Choose EFDA for Coronal Polishing Certification?

- **Scheduling Options.** Have you had trouble finding a course to complete in a timely manner? EFDA offers this course in a variety of locations and convenient times. They are offered often to fit your schedule.
- **Experienced and Professional Faculty.** EFDA's faculty are currently practicing RDAEFs; have years of industry experience and been educators for numerous years. They are caring and very helpful to students, as past graduates have raved how outstanding our teaching staff is.
- **Efficient Time Spent in Classroom.** We understand how busy you are and to meet your needs, our instruction is provided in the most efficient ways. Lectures are completed through a homestudy program, which reduces lecture time in the classroom. We offer a small class size in all of our courses, allowing students to gain extensive experience placing sealants on patients in the classroom and externship part of the course. During classroom instruction, an instructor will assist you in the learning process. Classroom hours are lengthened to allow you less days in class.
- **Affordable Tuition Costs.** Due to our efficient scheduling, we are able to offer you the most reasonable tuition offered.
- **I have a question about the course, how can I get it answered?** The fast and most efficient method is to e-mail us at efdaa4u@earthlink.net or call us at 760-200-2851.

How is the Course Scheduled?

Our 12 hour coronal polishing course consists of the following:

- The **lecture part of this course will be completed as a homestudy in the privacy of your own home.** You will receive this homestudy program, which consists of a comprehensive instructional syllabus, final written examination and answer sheet through an e-mail once we receive your course registration form. You have seven days after you complete the classroom instruction to **fax back your answer sheet for grading.**
- The laboratory part of the course will be taught utilizing a traditional **hands-on format in our training facility in the cities listed in our schedule of classes.** You will begin by learning to polish teeth on a typodont.
- Each student is required to perform a coronal polishing on **3 clinical patients** provided by him/her. The **first clinical patient coronal polishing** will be performed on the first day of class.
- **The remaining 2 clinical patients will be performed in your dental office or a dental facility that allows you to perform coronal polishing in their facility.** Details of this requirement will be included in your confirmation e-mail after we receive your registration form. A release form must be signed by the participating DDS, which allows you to perform coronal polishing on patients while enrolled in our program.

What are the Course Prerequisites and Content?

If you are an RDA or working towards becoming an RDA, you may enroll in this course. Our experienced instructors provide detailed step by step demonstration. Each student will practice polishing teeth on a typodont and one clinical patient under the supervision of our professional instructor. All patients must be 18 years or older and possess moderate plaque.

A detailed description of the course requirements will be sent along with the homestudy program upon receipt of the registration materials via the e-mail system. Upon completion of all the course requirements and you are an RDA you may perform this procedure.

Tuition cost: \$ 275

What Supplies Must I Bring and the Required Classroom Attire?

Students enrolled in this course are required to provide those supplies that are commonly utilized in the performance of a coronal polishing procedure. A list of these supplies will be e-mailed to you upon receipt of your registration. All participants must wear a disposable gown, scrub-type uniform or lab coat; protective eyewear, mask and gloves in class.

Do I need to renew my Coronal Polishing Certificate?

No, once you have completed this course, received your Certificate of Completion your certificate will be valid indefinitely and does not need to be renewed. **Dental assistants may not perform this procedure unless they possess an active RDA license.**

Do You Want To Complete this Course in your Own Dental Office?

Does your office have a group of dental assistants that need this Certification? We require a minimum of four assistants for this customized course. Email us at efdaa4u@earthlink.net about scheduling this course in your own dental office.

Is this Course A Pre-Requisite for RDA Examination?

Yes, this course must be completed prior to be licensed as an RDA.

What is the Cancellation Policy?

If you are unable to attend this course and we receive your cancellation at least five business days prior to the course, you will receive a full refund except for a \$20 processing fee. All cancellations must be received by our office via email at efdaa4u@earthlink.net. A no show to the class will cause you to repeat the course at the regulation tuition rate. For lost certificates, a \$25 fee will be required for a duplicate copy.

What if EFDA has to Cancel a Class

Occasionally courses may be cancelled due to low enrollment. Students will be given a full refund, unless the student requests transfer to another course. Every reasonable effort will be made to reach students of cancellations and/or changes.

What must I do if I have lost my certificate?

If you lose your certificate, you must send us a letter requesting a duplicate copy. In this letter, please specify when you completed this course, the location, where you wish the certificate to be mailed. The cost for this service is \$25.

How do I reach EFDA if I have any questions?

The easiest and most efficient way to contact us is via the e-mail system. Contact us at efdaa4u@earthlink.net. If you wish to reach us by phone, call 760-200-2851.
