

## Coronal Polishing Class Schedule

The 12 hour coronal polishing course consists of lecture, classroom instruction and clinical practice in your dental employment office or dental facility that will allow the performance of a coronal polishing on patients. The lecture is presented through a home study program. The one day of class will consist of practicing polishing teeth on a typodont, and one clinical patient. Two clinical patients will be required to be performed in dental employment office or dental facility. **Classroom hours are from 8:00am - 5:00pm**
