

## **Coronal Polishing Class Schedule**

The 12 hour coronal polishing course consists of classroom instruction, completion of a home study program and clinical practice in your dental employment office or dental facility that will allow the performance of a coronal polishing on patients. The theory is presented through a home study program. The one day of class will consist of practicing polishing teeth on a typodont, fellow student and one clinical out patient. Two clinical patients will be required to be performed in dental employment office or dental facility after the one day of instruction

**Classroom hours are from 8:00am - 5:00pm**
