

8 Hour Infection Control Course Class Schedule

The 8-hour infection control course consists of classroom instruction and completion of a home study program. The 4 hours of theory is presented through a home study program. The 4 hours of classroom instruction will consist of practicing required infection control procedures in the classroom.

Classroom hours are from either 9:00am to 1:00pm

In these changing times, EFDAA is keeping with the needed changes for students attending classes. At this time, we have closed our regularly scheduled DA and RDA Courses for April - May 2020. These class offerings will resume when the California Legislative body mandates that it is safe to attend class.
