

## Orthodontic Permit Class Schedule

The Orthodontic Permit course consists of lecture, three days of classroom instruction and clinical practice in your dental employment office or dental facility that will allow the performance of advanced orthodontic procedures on patients. The lecture is presented through a home study program. The three days of class will consist of performing orthodontic procedures on typodonts.

Upon completion of the three days of classroom instruction, students will be required to perform specific orthodontic procedures on patients in a dental employment office or dental facility that will allow the performance of said procedures. Upon completing all course requires, a certificate of completion will be emailed to the student.
