

Coronal Polishing Class Schedule

The 12-hour coronal polishing course consists of classroom instruction, completion of a home study program and clinical practice in your dental employment office or dental facility that will allow the performance of a coronal polishing on patients. The theory is presented through a home study program. The one day of class will consist of practicing polishing teeth on a typodont, fellow student and one clinical outpatient. Two clinical patients will be required to be performed in dental employment office or dental facility after the one day of instruction

Classroom hours are from 8:00 am – 5:00 pm
