

Coronal Polishing Class Schedule

The 12-hour coronal polishing course consists of classroom instruction, completion of a home study program and clinical practice in your dental employment office or dental facility that will allow the performance of coronal polishing on patients. The theory is presented through a home study program. The one day of class will consist of practicing polishing teeth on a typodont, fellow student and one clinical outpatient. Two clinical patients will be required to be performed in dental employment office or dental facility after the one day of instruction.

Note: Certificates will be issued 7-10 days after the course.

Classroom hours are from 8:00 am – 5:00 pm
