

## **Orthodontic Permit Class Schedule**

The Orthodontic Permit course consists of lecture, three days of classroom instruction and clinical practice in your dental employment office or dental facility that will allow the performance of advanced orthodontic procedures on patients. The lecture is presented through a home study program. The three days of class will consist of performing orthodontic procedures on typodonts.

Upon completion of the three days of classroom instruction, students will be required to perform specific orthodontic procedures on patients in a dental employment office or dental facility that will allow the performance of said procedures. Upon completing all course requires, a certificate of completion will be emailed to the student.

## **Important Notice: Temporary Course Suspension**

**EFDA Will next be accepting applications until after September 20, 2026**

All courses will **pause from May 1, 2026, until after October 1, 2026**. We understand this may cause inconvenience, and we sincerely appreciate your understanding. Our courses are scheduled to **resume on October 1, 2026**, and we look forward to welcoming you back at that time. Please review our website on a regular basis, which is [efdaaservices@efdaaservices.com](mailto:efdaaservices@efdaaservices.com).

This pause is needed to prepare for upcoming site visits and evaluations at all locations **as the Dental Board has delayed the site visits**.

Even though our courses are fully approved, we still need to give this extra review process our complete attention. Similar scheduling adjustments are affecting many other training providers as well.

Since we will be out of the office, we are unable to answer phone messages. Any questions should be **directed to our email address which is [efdaa4u@efdaaservices.com](mailto:efdaa4u@efdaaservices.com)**

During this period, we remain available to provide **custom courses** either at our **current facilities or at your dental office**. **Reach out** to other offices for staff who need to complete our courses. A **minimum** enrollment of **four**

**students** is required for these classes.

For more information or to schedule a custom course, please email us at [efdaa4u@efdaaservices.com](mailto:efdaa4u@efdaaservices.com)

**Minimum enrollment of four students** is required for these class sessions.  
Thank you for understanding and patience.
